

## **Chem Warehouse Attendant- Seasonal**

Brussels Agromart is a full-service crop input provider in the north end of Huron County. We are currently looking to fill a **Chem Warehouse Attendant- Seasonal** role. As an integral part of our team, you will work closely with management, staff, and customers to achieve maximum success possible in the growing season. This position ideally runs from March 1<sup>st</sup> to October 31<sup>st</sup> but the dates are flexible.

### **Key Responsibilities:**

- Develop a positive relationship with customers and co-workers.
- Assist customers in loading crop protection products, ensuring all shipping documents are accurate and complete. Following all regulations for shipment of dangerous good and restricted products.
- Prepping bulk and packaged crop protection products for delivery trucks to custom application equipment.
- Load and unload bulk and packaged crop protection products ensuring all associated documentation is correct, including bills of ladings, shipping documents and invoices are accurate. Verify the correctness of receipts against bills of ladings or other records, check for shortages, identify damaged goods etc. Note date and time on all receiving documentation. Reporting any discrepancies to a supervisor as soon as possible.
- Ensure warehouse and workspaces are kept clean, tidy, & organized.
- Communicating product inventories as needed to supervisor.
- Operate location equipment, such as forklift, safely. Performing the daily required equipment safety checks.

### **Candidate Will Possess or Be Willing to Achieve the Following Qualifications:**

- Experience in agricultural logistics and/or operations would be a strong asset
- Attention to detail
- Highly organized with the ability to multitask
- Excellent communication skills, both written and oral, are required to deal with customers, management, and location team members
- High degree of problem solving to ensure deadlines are met
- Adaptable to work both independently and as a team
- Valid driver's license required
- Able to work full time hours with extended hours and weekends during peak season.

Training will be provided. If this exciting opportunity interests you, please forward your resume to/or contact:
